

Please do not weaken the "Indiana Do not call" list. I am very happy being able to have a peaceful dinner with my family as I am sure you are. It has been WONDERFUL not having the telephone ring 3-5 times per night with unwanted calls from people trying to sell me items of little to no interest. I feel that it is my right to be able to have my name on such a list and that such a list should be able to exist.

Thank you for your time and consideration in this matter.
